Swathi Arepalli

Strategy and transformation leader with 11+ years at Accenture, EY-Parthenon and Deloitte and an INSEAD MBA. Works with C-suites and cross-functional teams in telecom, infrastructure, financial services and consumer businesses. Has acted as Business Analyst on a Salesforce migration (Sales Cloud and Marketing Cloud) for a Southeast Asia client, designed customer loyalty and retention programmes, and built tools that turn customer data into action. Brings a B2B, data-led approach to customer adoption and revenue growth, and turns ambiguous problems into clear plans that stakeholders align behind.

WORK EXPERIENCE

Team Leader, Strategy Consulting – Corporate Strategy, Portfolio & Partnerships

Accenture Strategy & Consulting
Aug 2024 – Present — *Bengaluru, India*

- Acted as Business Analyst for a Southeast Asia client's migration onto Salesforce (Sales Cloud and Marketing Cloud), carrying out the full range of BA work from requirements through to delivery with the project team.
- Designed a customer loyalty programme that raised retention, deepened customer understanding and improved frontline team performance.
- Created a CX Sensor that structures customer reviews, filters out noise and surfaces the feedback that matters so the business can act on it.
- Set the long-term strategic direction and market positioning for a B2B client's digital portal by reviewing the platform, redefining how customers should interact with it and proposing the enhancements needed.
- Built the growth strategy for an infrastructure client by selecting between organic and inorganic options, lifting enterprise value by close to 30% and setting revenue growth of 25% to 30%.
- Rationalised the product portfolio of a leading regional telco across 10 entities and identified partnership strategies that opened new revenue streams.
- Led the carve-out of a telecom operator with 13+ consolidated entities into separate B2C, B2B, ICT and wholesale segments, defining the target structure and the path to get there.

Senior Consultant, Strategy – Product Strategy, Market Entry & Growth

EY-Parthenon
Apr 2019 – Sep 2023 — *Bengaluru, India*

- Sized the opportunity and built the business plan for a $50M consumer market entry across Indonesia, Malaysia, Thailand and the Philippines that won board approval.
- Reset pricing, channel mix and trade incentives for a personal care brand which lifted modern trade share by 4 points and revenue by 12% in 12 months.
- Developed a 5-year portfolio strategy for a $3B consumer products company that rationalised 25% of SKUs and prioritised 3 growth platforms behind a +180 bps margin plan.

Consultant, Strategy – M&A, Due Diligence & Digital Strategy

Deloitte USI
Oct 2017 – Apr 2019 — *Bengaluru, India*

- Built the integration plan for two merging banks across 40+ workstreams and quantified $60M in cost synergies.
- Benchmarked 15 fintech platforms to shape a digital growth strategy that secured executive committee approval for a $30M investment roadmap.

Business Analyst – Market Research & Competitive Intelligence

Tata Consultancy Services
Jan 2014 – Oct 2017 — *Bengaluru, India*

- Delivered 30+ market sizing and competitor studies for Fortune 500 technology and banking clients that informed pricing, launch and investment decisions.
